WANTED!!!!

Anyone who is interested in getting their work hours in please note. We will be hosting the **Pioneer Trap League March 12th & March 19th**. Contact **Bruce Meyers** at **695-5969** so he can set up a schedule.

We are looking for less costly ways to get information to the general membership. The newsletter alone costs \$70 in postage per mailing. A few ideas we have come up with are putting it on the website, e-mailing or handing the newsletter out at general meetings. Unfortunately with the low attendance at meetings people will be forced to make a special trip to pick up the newsletter. If you would like the newsletter to be e-mailed or just available to be read on our web page please contact Tom Kingston at 537-2130 or e-mail the club our website.

Sunday, March 5th we sent Mike Kasprzyk to The Variety Club Telethon to donate \$100 from The Gun Club. He was on TV with "Airborn" Eddie and made a challenge to other gun clubs to do their part and make a donation. We would like to give SPECIAL THANKS to both Mike and his granddaughter Sarah for doing a great job in representing our club.

THANKS

Every Tuesday night, guys get together and shoot their pistols at our indoor range for winter and outdoors in the summer. One of the many Tuesday Night Pistol Leagues just ended with Ken Rice (735.80%) barely edging out a close second finisher Bill Pabst (730.03%). Congratulations gentlemen and good luck to all in the next league.

As most people know we are a working club. We only ask that everyone does their part by participating in at least 8 work hours over the course of the year. We have come up with a plan to have all work hours double checked by a board member. So if you do work down at the club please have a board member sign your slip. If there is not one present please call the appropriate person from the list that is located just above the work hours box.

THE WINTER WOBBLE LEAGUE IS JUST FINISHING UP. THERE WILL BE A PIZZA AND WING PARTY MARCH 20TH @ 7PM FOR EVERYONE TO ENJOY. IF YOU WERE NOT PART OF THE LEAGUE YOU ARE STILL INVITED AND WILL BE CHARGED \$5. FOR THE FOOD.

RAFFLE TICKETS ARE ENCLOSED WITH THIS LETTER. PLEASE TRY TO SELL THEM. If any questions please contact Joe Lasota @ 668-8537.
